FAMILY ENGAGEMENT CONFERENCE

Evidence shows when families, communities and schools work together, students are more successful and the entire community benefits.

Learn from expert national and state leaders, thinkers and innovators in the Family Engagement community

This 2017 conference supports all who strive for excellence in family-school-community partnerships. Participants will be immersed in many, many examples of evidence-based practice and high-impact engagement work taking place across the country as well as locally in Western New York. Participants will share and inspire discussion on the most important themes across family and community engagement. This conference offers a unique opportunity to build strong alliances, organize collaboratively and realize mutual goals.
