

Virtual Meeting via Zoom

Transition for Families

Is your teenager in high school getting ready to transition to adulthood?

During this training, parents will learn about assessing their **teen's strengths, interest and needs**, how to **establish measurable goals** for the future and **identify appropriate transition services and coordinated activities**. Learn how to work with the Committee on Special Education (CSE) to **get your teenager ready for adulthood**.

May 12
6 - 7:30 pm
