

Is your child planning to go to college or work and struggling to keep track of important things?

Hands-On Assistive Technology

Free Workshop

YOU WILL LEARN:

- To recognize and make opportunities to encourage independence
- How to identify and best use tools you already have to keep track
- How to better communication and efficiency in day to day life
- How to promote self-sufficiency and self-advocacy

Recommended Audience

Parents and high school students with a disability, who are heading to college or work
