

Youth Mental Health First Aid

Free Workshop

This workshop will teach you how to identify, understand and respond to signs of mental illnesses and substance use disorders.

This 8-hour training gives adults who work with youth the skills they need to reach out and provide initial support to adolescents (ages 12-18) who may be developing a mental health or substance use problem and help connect them to the appropriate care.

September 26, 2019

8:30 am to 4:30 pm

Parent Network of WNY
